Dear Mr. Van der Tang,

It was with great pleasure that I have received the information about the Jerusalem Prayer Breakfast The Hague. I strongly support this substantial initiative aimed at peace and understanding. I consider this movement as a robust building block in forming an international social network of influential Christian government leaders, esteemed business professionals and people of authority representing international organizations. I certainly agree with the importance and the need for a united faithful prayer for the peace of Jerusalem.

I would like to express my sincere appreciation for your commitment to voluntarily take up the role of the organizer and to encourage joint prayers for the peace of Jerusalem from your European basis in the Netherlands. I wish you courage and strength upon continuing this highly important mission.

Warm regards,

Aviv Shir-On
